

March 2012 DEC Connection News-at-a-Glance

Reminder: a Member-Helping-Member Concall

Rita Foley will conduct a member-helping-member concall based on her book and workshops "Reboot Your Life: Energize Your Career & Life by Taking a Break".

Reboot Your Life seminar

Rita Foley, DEC 1982-1999, professional board director and former President of MeadWestvaco Consumer Packaging, and a co-author of *Reboot Your Life. Energize your Career and Life by Taking a Break*, will help us take a step back to better know what is important to us and to identify what we need to live more rewarding and successful lives. You'll hear why so many people are taking a break -- a sabbatical -- from work to find their passion. Great for pre-retirement planning too.

This concall will be held on Wednesday evening, April 4, from 6 - 7 PM EDT.

This conference is free to our paid-up members (others who wish to attend are welcome to join ahead of the concall at www.deconnection.org/join.htm). Dial in to expand your horizons and get new ideas!

To REGISTER: Send email to webmaster@deconnection.org. You will receive an acknowledgment email with instructions for the concall. If you are not a paid-up member please join or renew before you register.

Rita is our current Featured Entrepreneur and you can read a bit more about her expertise [on our website at this link](#).

About DEC Connection Local Chapters

Many of you might not realize that our local chapters are started by member volunteers. If you are interested in meeting other ex-DECcies nearby, consider calling an informal meeting at the local library or pub to see if there is sufficient interest - it doesn't have to be ambitious; an occasional meeting is fun, and you might meet new friends who share your values. Members can generate lists of other members by geographic area using the Member Service Center - use the 3-digit zip search. Email webmaster@deconnection.org for help.
