### Info Exchange

- Frank Coyne, former Digital employee from Galway Ireland, writes:

The retrospective **DEC Leadership, Legacy and Corporate Social Responsibility** programme model ([link here](#)) is just for information, but may be of nostalgic interest to some of your diaspora/group members. An interesting, independent follow-up article appeared in the Financial Times on November 2nd, 2010,

It's Turkey Time again!

Steve Georgoulis won the b shirt contest at the Phoenix reunion.

and the group celebrated AI G 96th birthday.

titled: **Case Study:** Seventeen years after the Digital closure, new doors open in Galway, which your group members might also find interesting. **Francis Coyne, Executive Education and Training Consultants**

- **A Question from Joel Ryan, a former DECUS member**

First, I grew up using DEC equipment in college and at work. Member of DECUS. Many great memories.

I am trying to locate a Science and Technology newsletter that was emailed in the early 90's and written by a former DEC employee.

Any clues in locating it would be greatly appreciated.
