Why Are You Here?

Many of you are:

- In between jobs
- Stressed out and overwhelmed by work and life and need a break
- Thinking about leaving, changing jobs, or professions
- Thinking about your retirement and need time to think
Why Am I Here

We Are On A Mission

- Tell you the world’s best kept secret
- Give you permission
- Why downtime is important
- Plan your downtime with you

- Time off is time on!!!!
Our Objectives

- Help you to see the benefits of taking a break
- See time off as a gift
- Make you all Rebootaneers
- Provide you something practical to take with you
- Learn to live the life-long sabbatical
“Live as if you will die tomorrow and learn as if you will live forever.”

-Mahatma Gandhi
Interviewed hundreds of people. What we found??

**You get better**
- Clearer
- Healthier
- More creative
- More resilient
- More flexible
- More balanced
- More knowledge
- More connected to yourself and others
- More fun to be around
- Better parent/partner
“When one is a stranger to oneself then one is estranged from others too.”

- Anne Morrow Lindbergh
Why

Gallup Poll

- 28% of people leave because of dis-satisfaction
- 20% want to change their careers
- 40% people express burn out
- 30% of illnesses are caused by stress and being out of sync
- Baby Boomers can’t retire – re-careering
- Gen X can’t move up – need new options
- Gen Y – need more from life
What Does That Mean For You?

- What do YOU want from life?
- What would YOU do with downtime?
- What do YOU need now?

Need to plan – starting NOW
You Can Start With Small Risks
When was the last time you did something for the first time?

- 5 local places – museums, other
- 5 new foods - try or cook
- 5 movies you usually wouldn’t consider
- 5 different routes to work
- 5 different weekend trips
- 5 new/old friends
- 5 things you want to learn
- 5 “small risks”
- Make up your own 5 things...
Your Current Life
Add 5 Things
Be Deliberate - Use your time well
• Discover what you love about your job or work
• Learn new skills to help you be even more effective
• Reconnect with what you were missing that is important and need to build into your life
• Recharge your batteries – travel, sleep late, move at your natural pace – discover what your natural pace is
• Get new insights
• Build a new way of going forward
• Refresh by connecting to friends and family
• Reinvent yourself
• Remember YOU are in Charge!!
“The biggest adventure you can take is to live the life of your dreams.”
