**Special Upcoming Event: DEC Connection Road Rally to Kimball's**

Save the Date - Friday August 22 (Rain date 8/29)  
Our annual summer get-together will be a special treat this year! Our usual Kimball's get-together will be preceded by an optional Road Rally designed by

Anker Berg-Sonne for DEC Connection members to enjoy some nostalgia and road rally challenges which will be based on a timely arrival at Kimball's (i.e., not getting lost), and on answering questions about Digital -- it is NOT based on speeding or racing. The Road Rally will start around 1 pm in Maynard and proceed according to a challenging set of questions which will take us to Kimball's around 3 pm where we'll join the others to enjoy stimulating conversation and delicious ice cream for a few more hours.

To SIGN up for the Road Rally event please email [info@deconnection.org](mailto:info@deconnection.org) and provide your name, cell phone #, and email address. Specify you're signing up for the Road Rally.

### **Details on the Summer Get-Together at Kimball Farms in Westford MA**

We will be holding a Kimball Farm (400 Littleton Rd. Westford MA) get-together on Friday, August 22 from 3-6 pm (and starting at 6 pm a free band will play). Lots of fun to be had for everyone with games, rides, food, drinks and of course their famous ice cream. You can see what Kimball's offers by visiting their website at [Kimball Farm](#).

DECconnection will provide \$15 gifts for all paid-up registered members, which can be spent on anything that takes your fancy (food, drinks, rides, games, ice cream, etc.) Non-members/guests are welcome to join us, but will not receive \$15. You pay for your own rides, golf, ice cream, food, etc. otherwise.

No ticket or cost to attend, but we'd appreciate knowing if you plan to come so we can stake out several tables together and bring enough \$15 gifts.

TO SIGN UP: please email [info@deconnection.org](mailto:info@deconnection.org) with your names, cell phone #, and email address. Specify you're signing up for Kimball's. In the event of rain, outing will be postponed until Friday, August 29, same time. We'll announce a postponement on our website home page.

**IMPORTANT:** Meeting place will be in one of the 3 or 4 (free) public tents with picnic tables, just inside by food stand and behind the silo in the photo - NOT in the (expensive) corporate area for private parties. You must look for our group - we'll have at least one DECconnection table sign.

## Events - UK Reading Revolution DEXODUS celebration

DEC Connection President Nancy Kilty and Director Al Goldsworthy (with Sandy Mackenzie in right photo) traveled to London, England, U.K. to participate in the May 3 DEXODUS celebration of the 60th anniversary of the founding of Digital's U.K. Reading office in 1964. Left photo: John Leng (on right) established this office, and Ken Senior (in middle) was its 1st employee. DEXODUS, with its partners the Reading Museum and The (U.K.) National Museum of Computing, established several impressive museum exhibits which have been active since June 2024, and will be featured through mid-December 2025. Special thanks to Sandy Mackenzie for hosting our visit. [See a summary page on our website.](#)
