

Sept 11th - REUNION BBQ & MILL TOUR

200 DEC Connection members, family and friends enjoyed the Mill Reunion BBQ and Tour on Saturday evening, September 11th. The mood was both festive and nostalgic, and the weather cooperated beautifully. We enjoyed drinks, snacks, and a hearty BBQ on the patio near the new cafeteria of Clock Tower Place.

We were treated to two tours of the Clock Tower Place and noticed several changes since Digital days - take a look at the nice photos and you might be able to identify them. (How 'bout that parking garage?)

Two groups enjoyed "mini-reunions": the Graduate Engineering Education Program (GEEP), organized by Vida Haririan, and Management Sciences, organized by Betsy Beach.

Thanks to our [Corporate Sponsors](#) for helping to make this event possible: Legacy Financial Advisors, Digital Credit Union, and Art in Giving; and thanks to our members/volunteers for staffing the Registration desk: Pat Fessler, Karen Hamilton, Leslie Mileski, Karen Kilty.

[Check out the website](#) for some great photos taken by Rod Sutherland some by Mary Cole. Thanks to them both for their skills and sharing.
